

Volunteer Background Screening Co-Pay

A background screening is required to volunteer at CDS Family & Behavioral Health Services including Interface Youth Shelters.

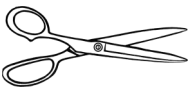

All screenings now go through a Clearinghouse which means that getting the screening done with CDS can save you time and money over the next five years if you choose to volunteer or work at any of our partner agencies affiliated with Department of Juvenile Justice and Department of Children & Families. The cost of screening is more than \$62 so we are asking each volunteer to cover half the cost: \$31. You can pay with cash, money order, or check. Check appropriate box and tear off the receipt below for your records. We apologize that we are unable to accept credit cards at this time.
